

Seasonal High Tunnel Workshop: Summer Cover Cropping and Drip/Microsprinkler Irrigation

If you are thinking of getting a high tunnel and want to know more, this is the workshop for you!

**Tuesday, July 7, 2015
4:00 – 7:00 PM**

**URI Agronomy Farm (off Plains Road)
Kingston, RI 02881
For GPS: 7 Thirty Acre Pond Road
Kingston, RI 02881**

Trevor Hardy of Brookdale Irrigation Supply (Hollis, NYH) will present on:

- Drip/microsprinkler irrigation principles
- Irrigation set ups for high tunnels/fields

Andy Radin of URI will discuss research on high tunnel tomato production, conduct a trellising demo, and discuss summer crops suitable for high tunnels.

Dr. Rebecca Brown of URI will give an overview of the CIG funded study on Summer Cover Crop seeding rates and planting dates
